

21 May 2010

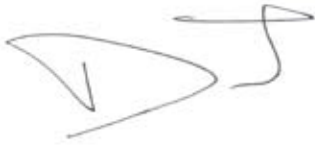

To Whom it May Concern,

Kelly Hanner has been employed as an intern at Pentagram Design in Austin for nine months. During that time she has contributed to a wide variety of design initiatives including websites, magazine redesigns, corporate collateral, menus, books and identity. In addition to her design contributions Kelly has always been willing to pitch in whenever she was needed, carrying out a variety of tasks efficiently and cheerfully.

Austin  
London  
New York  
San Francisco  
Berlin

I would highly recommend Kelly to anyone.

Best Regards,

DJ Stout  
Partner  
Pentagram Design
